- 01 Garmin® MAP PILOT
- 02 iPad® docking station for rear compartment

06

06

Multimedia. Pointing the way.

01 Garmin® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Garmin® MAP PILOT uses the standard-fit 17.8 cm colour TFT display and is conveniently operated via the vehicle's Controller and the Audio 20 keypad. Available for a whole range of countries.

For details and the latest updates, visit the Mercedes-Benz Shop at shop.mercedes-benz.com

02 iPad® docking station for rear compartment

The ergonomic, crashproof docking station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones or charging cable, remain accessible. The mount is fitted to the head restraint and can be tilted and rotated by 90°. Available for iPad® 2, iPad® 3 and iPad® 4.

03 Media Interface consumer cable

Control your iPod®, your iPhone® or other devices with a micro USB connection via the multifunction steering wheel or your audio system. Display the song, artist or album/playlist of your choice in the instrument cluster or on the monitor of your audio system. And charge your device's battery – via the universal interface in the centre console.

For further information, go to www.mercedes-benz.com/connect

04

04 Audio 20 CD

Twin-tuner radio with 17.8 cm TFT colour display. Bluetooth® interface with hands-free function and audio streaming. CD changer is MP3-compatible.

05 Reversing camera

The reversing camera is automatically activated when reverse gear is engaged. It assists the driver when reversing into a parking space. Static and dynamic guide lines show the driver the steering angle and the available clearance.

Available from 3rd quarter of 2014.

01 COMAND Online

Fully integrated high-end multimedia system with hard-drive navigation system, internet browser, telephony plus DVD video and Music Register shown on high-resolution 21.3 cm colour TFT display. Can be operated conveniently and safely via your vehicle's control instruments: from the multifunction steering wheel to handwritten instructions on the touchpad!

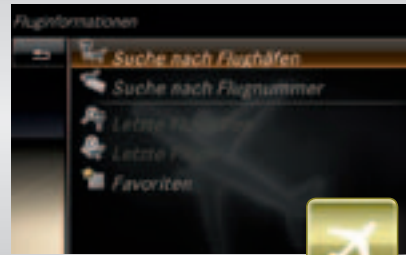

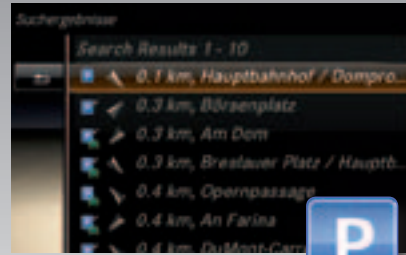

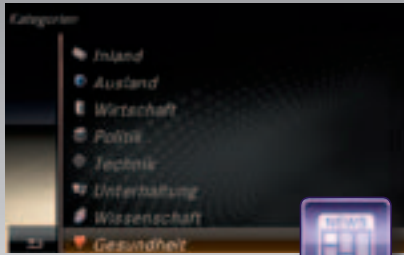

- Fast hard-drive navigation with 3D map views, Speed Limit Assist and automatic tailback avoidance (TMC Pro).
- Integrated WLAN hotspot functionality to enable use of WLAN-capable devices in the vehicle (mobile phone required for internet use via WLAN).
- SMS and email write and read-aloud function.
- Music Register with 10 GB hard disc memory for various audio and video formats (MP3, WMA, AAC, MPEG, AVI to 720 p) and USB port.
- Bluetooth® interface with hands-free function and audio streaming for music transfer. Slot for SD memory cards.
- DVD video and Cover Flow display.
- LINGUATRONIC voice control system for audio, telephone, navigation and music search.
- Digital, animated Owner's Manual.
- Supports Mercedes-Benz Apps.
- Navitainment functions.

02 Mercedes-Benz Apps for COMAND Online

Take advantage of Mercedes-Benz Apps for COMAND Online:

-  **News:** Access to news from around the world, in categories such as finance, politics and technology.
-  **Parking Finder:** Search for parking options near your current position or destination, with details of free parking, parking charges and opening hours.
-  **Morningstar Finance:** Receive details of indexes and share prices from funds rating agency Morningstar. Please note that stock market prices are not delivered in real time.
-  **Flight Info View:** the latest flight information on your COMAND Online system: arrivals and departures, gates, flight status, etc.

Mercedes-Benz Apps are available at <http://apps.mercedes-benz.com>

03 Europe Travel and Restaurant Guide SD card for COMAND Online, Version 2013/2014

Here you will find information from Michelin's famous Red and Green Guides, detailing restaurants, hotels, sightseeing destinations and tourist routes throughout Europe. You can access audio files, images and text relating to the tips and routes included in the guide. The SD card, which covers the whole of Europe, is available from your Mercedes-Benz dealer. In many European countries the restaurant guide is also available via the online shop – as a download or on an SD card.

For further information and updates, go to <http://shop.mercedes-benz.com>

04 Europe navigation update for COMAND Online

Did you know that we update 20% of the information on our navigation CDs and DVDs every year? This not only covers new roads and junctions, but also changes to road and traffic controls and regulations, new points of interest such as filling stations or restaurants, and newly included countries, above all in eastern Europe.

For the latest navigation CDs/DVDs, visit our online shop at <http://shop.mercedes-benz.com>. Orders can only be placed and deliveries made within Germany.

01

01 Mercedes-Benz Bluetooth® (SAP¹) telephone module²

Experience a new dimension of web access, telephony and navigation support – with the combination of the Mercedes-Benz Bluetooth® (SAP) telephone module and your COMAND Online multimedia system. You can simultaneously talk on the phone, use Mercedes-Benz Apps and have your text messages read aloud. The telephone module ensures that COMAND Online has a fast, stable and reliable internet connection via the integral UMTS module and the direct link to the vehicle's external aerial. The module is compatible with all COMAND systems from NTG4.5. From NTG5 you even have access to high-speed internet: the data transfer speed via the USB cable is up to 7x faster than a Bluetooth® connection!

The telephone module can be used as a permanently installed telephone and as a data modem. The module's gateway functionality allows parallel phone use – with all the functions of Convenience Telephony (Code 386): convenient operation via your multimedia system, hands-free functionality using the personal contact data on your mobile's SIM card and much more besides. When necessary, your mobile is charged via the USB port.

The Bluetooth® (SAP) telephone module can either use your mobile's SIM card or a SIM card can be inserted directly into the module, for a connection that is independent of your mobile phone. Many mobile phone providers offer so-called multi-SIM cards for your existing contract.

01

¹ SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card.

² Only in conjunction with Convenience Telephony (Code 386). For further information about the telephone module, software updates and a list of supported mobiles, go to www.mercedes-benz.com/connect and select Convenience Telephony.

02 Mobile-phone holders

When it comes to selecting a mobile phone for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the mobile-phone holder. It's done in a matter of seconds and is as straightforward as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. Top-class telephone technology for enhanced convenience on board.

Other advantages:

- Optimum reception quality as a result of using vehicle's external aerial.
- Mobile's battery is charged.
- Access to internal phone memory.
- Convenient operation using multifunction steering wheel.

Only in conjunction with Convenience Telephony (Code EH4).

Holders are available for many current mobiles from:

Nokia: 6303, 6303i classic

Apple®: iPhone® 5, iPhone® 4s, iPhone® 4

BlackBerry: 9900 Bold, 9790 Bold, 9780 Bold, 9700 Bold

02

Further information about using the phone in your vehicle can be found on our website.

For further information about using the phone while in your vehicle, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner.

QUALITY

The long road to perfection.

Mercedes-Benz light-alloy wheels not only boost your vehicle's looks, they also offer the ultimate in safety.

All wheels are precision-tailored to your vehicle in terms of load profile and dimensions. Before your light-alloy wheels are allowed to accompany you safely on your travels, they are subjected to an extensive development and testing programme. Each wheel design has to pass a variety of endurance tests, based on exacting Mercedes-Benz guidelines, all of which exceed statutory requirements. These include special test routines which simulate real challenges on the road and material tests in cutting-edge x-ray facilities.

High-shine wheels undergo additional tests such as exposure to highly corrosive salt spray or a 28-day variable climate programme. Only once all of the tests have been passed may the wheels be included in the range of genuine Mercedes-Benz light-alloy wheels. Add an individual touch to your vehicle with a tested and approved genuine Mercedes-Benz light-alloy wheel and head for the open road.

QUALITY

Made to last.

Floor mats from Mercedes-Benz offer quality you can rely on. Every floor mat has to earn its star logo before it is allowed to keep your vehicle clean and dry. The mats undergo the toughest endurance and scuffing tests and have to demonstrate their resistance to sunlight, dirt and weight loading, emerging with their outstanding quality undiminished.

Inside your vehicle you can check the quality of Mercedes-Benz floor mats for yourself. They are precision-tailored to the dimensions of the footwell, clip-fastened to the floor of the vehicle to prevent slipping and absolutely dimensionally stable, thanks to their special layered format. Your floor mats are made to cope with any demand you place on them.

Safe. Comfortable.

01 CLASSIC all-season mat

Made of robust, washable plastic to cope with the toughest use. Contemporary design with recessed areas and raised edge. With distinctive Mercedes star logo.

02 CLASSIC rep mat

Durable, extremely hard-wearing needle felt mats, with embroidered Mercedes-Benz lettering.

03 CLASSIC velour floor mat

Elegant, high-quality tufted velour mats, with embroidered Mercedes-Benz lettering.

04 Cup holder

Elegant cup holder for the 3rd row of seats. Holds cans and cups within easy reach while you're on the move.

Available from 4th quarter of 2014.

05 Illuminated door sill panels

A distinctive, eye-catching accessory, whether in daylight or at night, with lettering illuminated in brilliant white.

Available from 3rd quarter of 2014.

06 Coat hanger

Minimise creasing with this stylish and practical coat hanger made of chromed metal. Easy to fit to the front head restraints.

Writing surface | not pictured

Quality-design clipboard. Its special shape means it can be hooked over the steering wheel, providing a firm writing surface.

Tachograph | not pictured

Records all driving and rest periods internally and on personal driver cards in compliance with statutory requirements for optimised electronic analysis.

Only for vehicles with pre-installation for tachograph (Code JV6).

Available from 3rd quarter of 2014.

05

Mercedes-Benz child safety

Your vehicle features automatic front passenger airbag deactivation with seat occupancy sensor (optional extra Code U10). The front passenger airbag is automatically deactivated when a child seat is fitted to the front passenger seat. All child seats can also be used without the ISOFIX attachment system. Mercedes-Benz child seats are available in the “Limited Black” design.

The covers are washable and very hard-wearing. Optional replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey and chilli red [pictures 04 and 05].

01 “BABY-SAFE plus II” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg).

02 “DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. Adjustable tilt.

03 “KIDFIX” child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIT attachment points. For children between the ages of around 3.5 and 12 (15 to 36 kg).

04–05 Headrest covers

Available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey [04] and chilli red [05].

|----|--------------------------------------------|----|
| 01 | Mercedes-Benz roof box 450 | 28 |
| 02 | Alustyle basic carrier bars for roof rails | 28 |
| 03 | Tailgate-mounted bicycle rack | 27 |

Sturdy. Variable.

03

01 Rear-mounted bicycle rack, on tailgate

High-quality anodised aluminium rack, fits quickly and securely to the tailgate. For up to 4 bicycles (or 2 ebikes) of virtually any type or size. The tailgate can also be opened when the rear bicycle rack is fitted. No repeater lights, so no power supply required at rear. Maximum payload: 70 kg. Lockable.

02 Rear-mounted bicycle rack for trailer coupling, folding

Easy-to use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack. Maximum payload of up to 30 kg per rail, making rack suitable for most ebikes. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home.

04

03 New Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). Please bear in mind your vehicle's permissible roof load.

04 Coil locks

Available as a separate accessory for the bicycle rack.

05 Adapter

For trailer with 7-pin plug.

Trailer coupling | not pictured

Trailer coupling with detachable ball coupling. Simple to remove without tools.

Available from 4th quarter of 2014.

05

01 02

01 02

01 03

01 Alustyle basic carrier bars for roof rails

For quick, flexible attachment to the roof rails.

Retrofit kit for roof rails | not pictured

For retrofitting roof rails to models which are not factory-fitted with roof rails. The retrofit kits consist of the roof rails and the required mounting materials. Complete kit, providing a fast, simple way to retrofit roof rails to the standard roof.

02 New Alustyle ski and snowboard rack "Comfort"

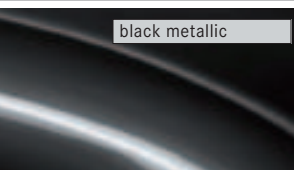

For up to 6 pairs of skis' or 4 snowboards. Lockable. Practical pull-out function makes loading and unloading easier.

03 New Alustyle ski and snowboard rack "Standard"

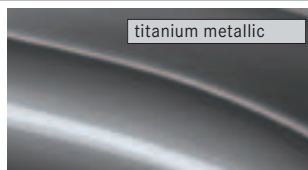

For up to 4 pairs of skis' or 2 snowboards. Lockable.

04 05 06

07

Mercedes-Benz roof boxes

Aerodynamic design, tailored to your Mercedes-Benz. Extremely durable material. Designed for quick, optimised attachment to your basic carrier bars. Boxes open on both sides for particularly easy loading and unloading. Lockable on both sides.

04 Mercedes-Benz roof box 330

Capacity approx. 330 litres. Available in titanium metallic. Maximum payload 50 kg².

05 Mercedes-Benz roof box 400

Capacity approx. 400 litres. Available in matt silver and black metallic. Maximum payload 75 kg². With handle strip on each side for easier opening and closing.

06 Mercedes-Benz roof box 450

Capacity approx. 450 litres. Available in matt silver and black metallic. Maximum payload 75 kg². With handle strip on each side for easier opening and closing.

07 Ski rack insert for Mercedes-Benz roof boxes

Insert for securing your skis – tailored precisely to the internal dimensions of the roof box.

Ski rack insert for roof box 330:

A secure hold for up to three pairs of skis¹.

Ski rack insert for roof box 400:

A secure hold for up to four pairs of skis¹.

Ski rack insert for roof box 450:

A secure hold for up to five pairs of skis¹.

¹ Subject to geometry of skis.

² Please bear in mind your vehicle's permissible roof load.

01 Deep load compartment tub

Keeps the load compartment clean and protects it from scratches. Produced in lightweight, robust plastic.

02 Shallow load compartment tub

A neat solution to protect the load compartment from dirt and scratches. Made of lightweight, sturdy plastic.

03 Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow luggage compartment tub.

04 Multipurpose box

The practical collapsible crate is ideal for shopping and other transport tasks. It can be folded flat, is waterproof and has a load capacity of up to 30 kg. When flat, it can be used as a protective mat.

05 Tie-down strap

Even heavy objects can be secured in place easily using this strap.

06 Shopping crate

Anthracite. Collapsible.

04

07

08

09

10

11

07 Coolbox

This box is hygienic, easy-to-clean plastic incorporates a 12 V power connection to ensure constant and reliable cooling even on long journeys. The box can be firmly secured in the load compartment with the aid of the special strap system. It is also easy to carry, using the handy carry straps. The coolbox has a capacity of 16.5 litres.

08 Fluorescent jacket

Already compulsory in many countries: fluorescent jackets with high-visibility reflective stripes. Available individually or as a pack of two.

09 Spare bulb box

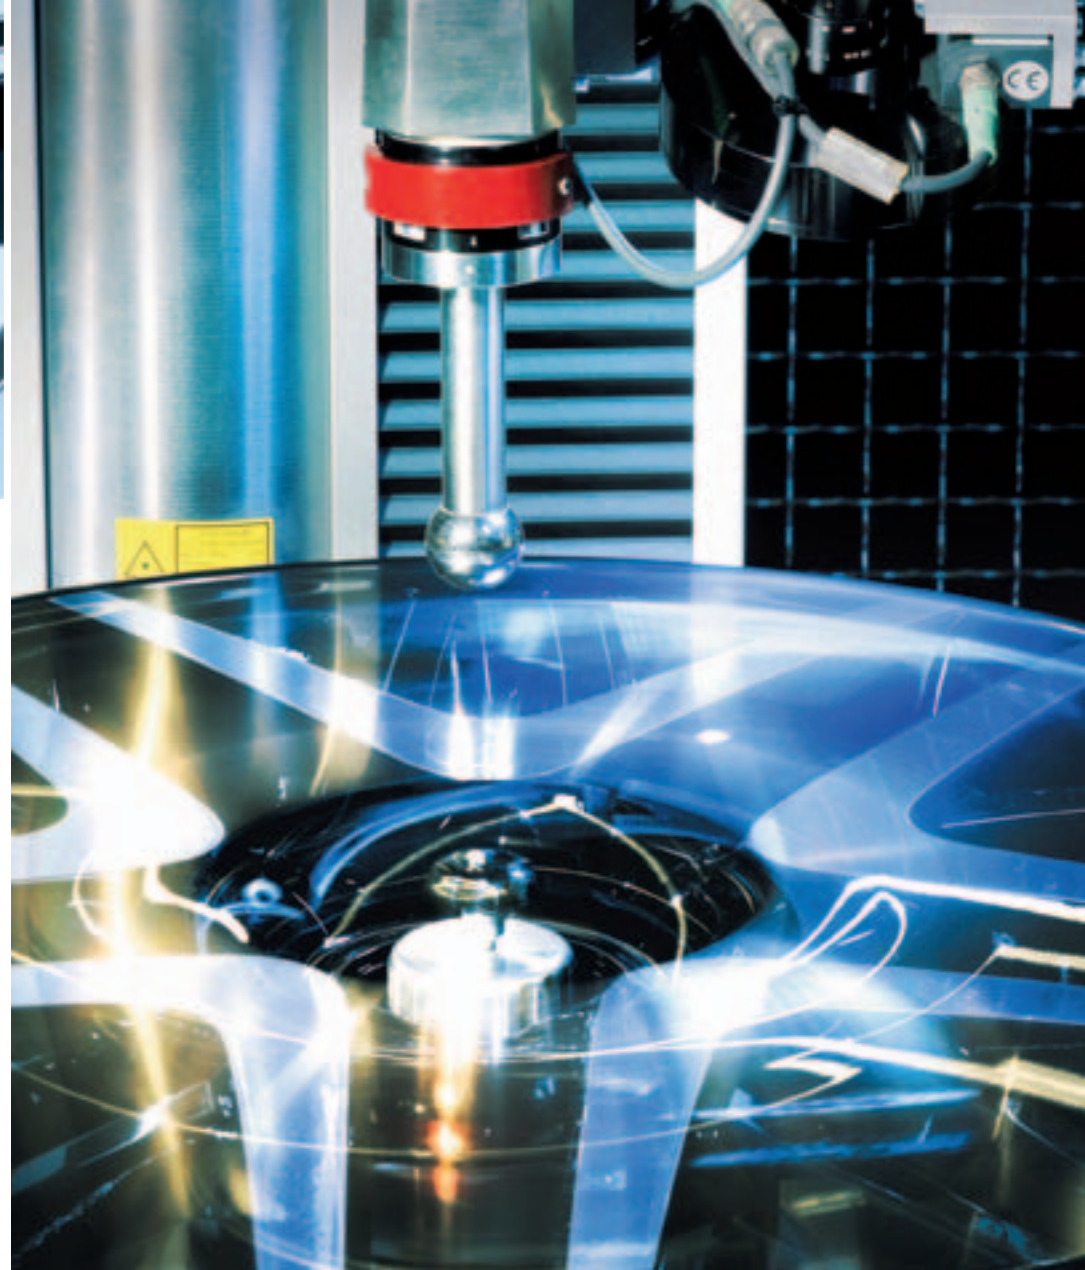

More and more countries now require the use of daytime running lamps. With this compact box, the bulbs you need for the front and rear lights are always within easy reach.

10 Rectifier

Allows the coolbox to be connected to a 230 V socket at home.

11 Charger with trickle charge function

New life for your vehicle's battery: checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems. Available in 3.6 A and 25 A version. The 25 A version offers a faster charging process and a selection of different charging modes.

Mercedes through and through.

DESIGN & DEVELOPMENT

Mercedes-Benz Genuine Accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- ▶ Individualisation options are developed in accordance with the Mercedes-Benz car design philosophy.
- ▶ The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories.

QUALITY & SAFETY

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Mercedes-Benz Genuine Accessories as a result of:

- ▶ Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel.
- ▶ Harmonised development of both vehicle and Mercedes-Benz Genuine Accessories.
- ▶ The highest standards, frequently far in excess of those prescribed by law.

FUNCTIONS & OPERATION

Mercedes-Benz Genuine Accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- ▶ Fully integrated telematics products can be operated safely and conveniently using the multifunction steering wheel.
- ▶ Roof-mounted carrier systems can be fitted quickly and without the use of additional tools.
- ▶ Instructions and manuals are in standard format and easy to understand.

ADVICE & FITTING

No one is as familiar with the ins and outs of your vehicle as our employees. And the same goes for Mercedes-Benz Genuine Accessories:

- ▶ Contact your Mercedes-Benz dealer for expert advice in matters relating to service and sales.
- ▶ Trust our trained specialists when it comes to fitting Mercedes-Benz Genuine Accessories.

Genuine Accessories for the V-Class.

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps. Further colour variants for individual products can be found in the separate price list for this brochure.

As per April 2014.

Please note: changes may have been made to the products since this publication went to press (03/2014). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown, owing to the limitations of the printing process. This publication is distributed internationally. Information given regarding statutory regulations, legal requirements and taxation and the consequences thereof applies to the Federal Republic of Germany only and is correct at the time of going to press. Please consult your Mercedes-Benz sales representative for final details.
